**SCHEDULE 9**

**SECOND FRANCHISE AREA SERVED BY SYSTEM**

This schedule is intended to provide information on differences in services and charges among franchise areas served by the system. Your answers to the questions in this schedule will determine which franchise area - the second franchise area - should provide the information in Schedules 10 through 13.

The second franchise area should be the franchise area other than the one reported in Schedules 5 through 8 with the most subscribers and which has competition, as determined by completing Schedule 4. If there are no franchise areas with competition, the second franchise area should be the remaining franchise area with the most subscribers. In addition, however, if prices and channel lineups differ among franchise areas, the second franchise area should also be one that has different prices and channel lineups from the first franchise area used in Schedules 5 through 8. Answer the questions in this schedule to choose the correct second franchise area.

All information provided should be as of September 30, 1992.

(If the system has only one franchise area - as listed in Schedule 1 - you do not need to complete Schedules 9 through 13.)
